

SCHOOL TRANSPORTATION

The Holdenville School District recognizes that in Oklahoma, student transportation is a service that may be provided for its students by the school district. The school district wishes to assure its citizens that any transportation services provided by the district are to accomplish three goals:

1. To ensure that children of our school district are transported in the safest manner possible
2. To ensure that the transportation services provided are cost effective to our district's taxpayers
3. To ensure that all transportation services are rendered in an equitable manner

The school district will accomplish these goals through strict enforcement of its school transportation policies.

Drivers of all school transportation equipment will abide by state laws, rules, and regulations and shall make appropriate reports as required.
