

DISPOSAL OF SURPLUS SCHOOL PROPERTY

Certain school-owned equipment, furniture, and other personal property may be declared surplus by the Holdenville Board of Education and disposed of by public sale or discarded if determined to be of no value.

Surplus property which has a saleable value shall be sold by written, sealed bids after notice of such sale has been posted in a local newspaper, by a public auction, or by a public sale. Every attempt will be made to obtain a commercially reasonable value.
