

**TEACHER CONSULTANTS  
(REGULATION)**

In accordance with the policy of the board of education, the following regulation shall govern the selection and use of teacher consultants to beginning teachers in this school district.

- 1.** The building principal will select a teacher consultant for each probationary teacher from a list of career teachers volunteering to serve as consultants.
- 2.** Each consulting teacher shall be paid \$500.00 per year.
- 3.** Certified teachers may serve as teacher consultants for more than two years; However, certified teachers may not serve as consultants for more than two consecutive years.
- 4.** The teacher consultant will provide guidance and assistance to the beginning teacher for a minimum of two hours per week in classroom observation and consultation.
- 5.** Each beginning teacher shall serve under the guidance and assistance of a teacher consultant for a minimum of **180 days**.
- 6.** A teacher consultant shall be a career status classroom teacher. The teacher consultant must hold at least a standard certificate. Whenever possible, the teacher consultant shall have had experience in the teaching subject area of the beginning teacher.
