

TESTING PROGRAM

It is the policy of the Holdenville Board of Education to take part in testing programs with the aim of providing information designed to help all students recognize their abilities and to help in planning their school work. A well-rounded testing program has been developed that can be very valuable to each student. The board recognizes that information relative to the personality, environment, home life, parental or family relationships, economic status, religious beliefs, patriotism, sexual behavior or attitudes, or sociological problems of a student is privileged and confidential. Such information shall not be tested for and if revealed shall be discarded.

Annually, on a date to be determined by the superintendent, the district will provide information to the district's students, parents of students, and the public at large about the proper meaning and use of tests administered pursuant to the Oklahoma School Testing Program Act. Additionally, each school site within this district shall notify each student's parents of the school's performance levels in the Oklahoma School Testing Program at the end of the school year.
