

Seniors!!!

You will be taking your senior pictures October 12th beginning at 8:30 am in the auditorium. There are a few things you need to be aware of so that you are prepared:

- 1) **Girls** – you will need to wear a tank top under your clothes so that you can remain decent when in the shrug/feathers. I would also make that a black tank top if possible so that you eliminate the possibility of it showing through (that hasn't happened often, but it can...).
- 2) **Guys** – they will provide suit jackets and white shirts, but they are TUX STYLE. If you do not like that style, you will need to bring your own.
- 3) **Guys** – if you bring a tie and share it, I will not be responsible for replacing it should it get lost.
- 4) **Girls** – if you bring jewelry and share, I will not be responsible for anything lost.
- 5) If you would like to get other pictures, aside from your panel pics, check out the back of your appointment card. You can get a variety of poses and clothes changes at a reasonable price.
- 6) The \$15 fee you will be charged for the basic yearbook pose is what the studio charges us for you to be in the yearbook and on the panel. **Please have that money with you when you come into the auditorium.**
- 7) There will be a retake day, but I would prefer you take them the first day if at all possible. That way, should you NOT like the first pose, you can retake. If you don't, you will only have the one pose. If you have both poses, you can choose the one you like best for the panel and yearbook.
