

2021 Senior Slideshow

We are putting together our 2021 Senior SlideShow. Don't worry, there will still be time to add your Senior Pictures and other memories from this year.

Each senior will need up to 10 photos. We would like to have a variety from baby, toddler, elementary school, middle school through high school, school pictures, special achievement photos, sports or activity shots, hobbies, etc. We need to have them by January 29, 2021, send 7 or 8 if you want to leave room for a couple of senior pictures.

Please label the file with your name.

There are a few ways to send these digital images.

1. (preferred method) folder in the Senior Google Classroom 5txkh6h
2. Or send to Mrs. Brewer at mbrewer@holdenville.k12.ok.us
3. Or Text them to 918-724-2571

Any questions can be sent to that email as well. If you have hard copies of photos, you can take a picture of them with a smartphone. Be sure not to get a glare on them.

Thank you in advance for helping us to create a memorable Senior Slideshow!
