

December 10, 2020

Dear Parents/Guardians,

We will have paperwork available beginning next week for virtual learning second semester. There will be changes for 2nd semester by the method that full time virtual learners will use. Our virtual learners will be utilizing an online curriculum through Odysseyware. Paperwork must be filled out by January 6th so that students will have their new schedules and login information to begin. Once this method is chosen the student is locked in for the entire duration of the semester Jan 6th through May 10th. Students CAN NOT switch once started or go back and forth. A student must be self-disciplined, be willing to pace themselves accordingly, and ask questions if having trouble. Please take that into consideration if choosing virtual learning. ONLY in-class learners will continue to utilize google classroom on a daily basis, regular absences, snow days, or short term quarantine times. Resources such as emailing regular classroom teachers or coming to after school tutoring will still be available if your student needs help. Odysseyware is a self-paced full time online curriculum that all coursework will be completed through. This curriculum includes reading, instructional videos, daily homework, quizzes, and tests. It is available to students 24/7 for them to work on. You must have internet access and a device to select this method of learning. All second semester subjects must be completed by May 10th. Students are still required to be passing their classes in order to remain eligible for extracurricular activities.

Thank you,

Shawn Richmond

Holdenville High School Principal

Virtual Learning Consent Form

By signing this document I _____ understand that virtual learning will be through the use of a complete online curriculum through Odysseyware. I understand and agree that my child must be committed to this program for the duration of one full semester and is not able to switch back to traditional in class learning until the completion of that semester. I also understand that it is the responsibility of my child to maintain to the pacing chart and pass all courses through Odysseyware to maintain eligibility and participate in extracurricular activities. I also agree that to be part of virtual learning it is my responsibility to have internet and a device to utilize this program. By signing this form I am agreeing to all terms and conditions that have been attached to this document in regards to virtual learning.
