

HIV Parent Consent Forms Due

On November 6th and 7th, the high school will conduct the annual Acquired Immune Deficiency Syndrome (AIDS) prevention education program. This training will be held at the high school, is approximately one hour in duration and is provided by Kimberly Ramsey, RN, the Adolescent Health Specialist for District VI with the Oklahoma State Department of Health. Notes were sent home in early October regarding this program. As mandated by state law, all eleventh and twelfth grade students will participate in this training.

Please note that consent declinations are due by November 5th for the November 6th program for juniors and seniors. Materials for review were available during parent-teacher conference nights. If your parent missed this opportunity and would like to review the materials before the presentation, please contact Kimberly Ramsey at the Oklahoma State Department of Health at (405) 382-436 or via email at KimberlyMR@health.ok.gov.

For any questions, you may also reach out to our school nurse, Nurse K, who is the program coordinator for Holdenville Schools. You can email her at klinker@holdenville.k12.ok.us or call her at the office: 379-6618 (option 3) or 405-712-2893.

If your child has misplaced their declination form, one is attached for your convenience. Please print it and return it to the high school office.

Warm Regards,

Nurse K
