

DISTRIBUTION AND CARE OF TEXTBOOKS

The Holdenville Board of Education believes that all employees and students are responsible for the proper care of school facilities, equipment, and property in their use or under their control.

Cooperation is expected from the professional staff regarding the care and distribution of school-owned textbooks. The superintendent may delegate authority to building principals for the care, custody, and distribution of textbooks, as well as other instructional material and equipment.

Students using school-owned textbooks or library books are responsible for them and shall reimburse the school for any lost or damaged books. If a misplaced book is returned, the student may be refunded any charges previously paid to the school for the book.

The school district will not – and the superintendent is not authorized to – prevent a student from receiving a grade, to which the student is entitled, from graduating upon completion of graduation requirements, or from obtaining any records or information supplied to the school or otherwise owned by the student.
