

**STUDENT RETENTION
(REGULATION)**

In accordance with the policy of the board of education, the following criteria for the selection of students to be retained in their current grade, or denied course credit, will be used in this school district.

Students shall be promoted or receive credit for a course of study if a grade average of 70% has been achieved for an entire course of study as determined by the teacher.

Students in grades one through eight must achieve a grade average of 70% or higher in at least three major courses of study to be promoted to the next higher grade. The major courses of study are math, language arts, science, reading, and social studies.

In the elementary and middle schools, a placement committee consisting of the principal, counselor, and teacher(s) shall determine if a student is to be assigned to the next higher grade. The committee shall consider standardized test scores and the student's age.

Whenever a teacher or a placement committee recommends that a student be retained at the present grade level or not passed in a course, the parent(s) or guardian, if dissatisfied with the recommendation, may appeal the decision by complying with the district's appeal process. The decision of the board of education shall be final. The parent(s) or guardian may prepare a written statement to be placed in and become a part of the permanent record of the student stating the parent(s)'s or guardian's reason(s) for disagreeing with the decision of the board.
