

**HOLDENVILLE PUBLIC SCHOOLS FOREIGN EXCHANGE  
STUDENT ENROLLMENT**

Foreign Exchange Students, (FES), may enroll prior to October first of each school year. Priority for class enrollment will be given to local and transfer students. No local or transfer student will be displaced by the enrollment of a FES.

FES shall be allowed to enroll for the second semester providing they have successfully completed the first semester and their continued enrollment will not adversely effect local or transfer student enrollment in classes.

No new FES shall be admitted after October first of each year. Exceptions may be made if the High School Principal determines that such enrollment will not adversely affect any local or transfer student's educational opportunity.

Adopted 1-14-2008
