

## **DRUG FREE SCHOOLS**

It is the policy of the Holdenville Board of Education that in recognition of the clear danger resulting from illicit drug and alcohol abuse and in good faith effort to promote the health, safety, and well being of students, employees, and the community, the board has implemented a developmentally based drug and alcohol education and prevention program for grades Kindergarten through twelve (K-12).

Students are hereby notified that the use, possession, or distribution of illicit drugs and alcohol is wrong and harmful. Therefore, standards of conduct that are applicable to all schools in this district, prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as part of any of its activities.

Disciplinary sanctions will be imposed on students who violate standards of conduct required by this policy. Such sanctions will be consistent with local, state, and federal laws, up to and including probation, suspension, and expulsion, as well as referral for prosecution. Completion of an appropriate rehabilitation program may also be recommended.

Information about drug and alcohol counseling and rehabilitation and reentry programs will be made available through the school office.

The standards of conduct and the disciplinary sanctions imposed by this policy will be part of the required notification to parents and students which will include the following:
