

WIRELESS TELECOMMUNICATION DEVICES

It is the policy of the Board of Education that a student in possession of a wireless telecommunications device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school follow all rules and regulations as written in this policy and in the student handbooks.

Students found to be using any electronic communications device for any illegal purpose, violation of privacy, or to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or examinations shall be subject to discipline and the device shall be confiscated and not returned until a parent conference has been held. Students violating this rule will be disallowed from carrying any personal communication device following the incident unless a bona fide health emergency exists.

Students found to be in possession of a wireless telecommunications device in violations of the rules shall be subject to disciplinary action under the student discipline policy, including confiscation, detention, or suspension. Where appropriate, police authorities may be contacted.
