I. INTRODUCTION

Welcome! The faculty and staff welcome you to this academic year. We are pleased that you are part of the Ethel Reed community. We anticipate your involvement and cooperation in making this year successful.

This handbook has been carefully prepared so parents and students will be aware of the procedures and policies concerning Reed Elementary. The mission of Reed Elementary is **BEST**, i.e., Building Exceptional Skills for Tomorrow. The faculty and staff join together in providing the best educational experience for your child. Please become partners with us as we strive for excellence in education.

II. STUDENT ACTIVITIES PROGRAM

Reed Elementary School shall maintain a diversified and balanced program of co-curricular and extracurricular student activities designed to contribute to the educational development of our students. Efforts shall be made to foster an appropriate intellectual, cultural, and social climate; promote growth in student leadership and social interaction skills; and encourage special student interests. The program of student activities shall be an integral part of the comprehensive educational experience.

III. SCHOOL DAY

The building is open and supervision begins at 7:30am. Students are not allowed to be dropped off at school before 7:30 a.m. An 8:05 a.m. bell will ring for school to begin, students arriving after this bell will be tardy.

The School day begins at 8:00am and ends at 3:30pm.

If you need to talk with your child's teacher, the best time to call would be from 7:45 – 8:05am., after 3:30pm., or you can call and set up a time to talk with your child's teacher. All messages and/or deliveries must be made prior to 2:00 to ensure that they reach students. Parents must check in at the office during these visits.

IV. FOOD SERVICE PROGRAM

Holdenville Public Schools has been approved through a program called (CEP) Community Eligibility Provision to provide FREE breakfast and FREE lunch to ALL students no matter the family income level.

The Child Nutrition Program follows the meal pattern for the (HHFKA) Healthy Hunger Free Kids Act which requires Milk, choice of Vegetable and/or fruit, Grain/Bread, Meat or Meat Alternative. We strive to provide 2 healthy meals for each student every day.

If your child chooses to bring a lunch they may purchase a carton of milk for .30 cents. Any beverages brought from home must be caffeine free and no soda allowed. Students are not permitted to bring extra food/drink items unless they are bringing their own lunch.

Monthly menus are available on the Holdenville Schools web site at www.holdenville.k12.ok.us

VI. ATTENDANCE

The Oklahoma statutes say that children over the age of five and under age 18 shall attend school. Children attending kindergarten must be five years old on or before September 1st.

One criteria of a student's success in school is regular and punctual attendance. Frequent absences may lead to poor academic work, lack of social development and possible academic failure. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence.

Absences

1. Board of Education Policy: Any student found to be in attendance less than 90% of the days on roll in a class shall not "pass" that class without the specific approval by the Holdenville Board of Education. Homebound students are counted in attendance.
2. Administrative Guidelines: Any Student who exceeds seven days of absence per semester in a class will fail that class unless approved by the Board of Education. The principal will review the attendance record of all students in excess of seven. The principal will make a determination on whether or not to waive the seven-day rule. The principal and the Board of Education will review the overall pattern of absences and documentation submitted at the time of the absence. Out of school suspensions, homebound, and school approved activity absences are exempt from this guideline.

Students missing school for any reason are expected to obtain their work assignments and make up any missed work.

Students who are absent on the day of an after school event will not be able to participate in the event. Ex. Spring Sing, etc.

Chronic Absenteeism

A student is considered chronically absent after missing 10 percent or more of school days. **This includes both excused and unexcused absences.** Chronic absenteeism is one of several indicators on the Oklahoma School Report Card, which is designed to give parents and communities an annual snapshot of student learning, progress, and achievement at the local level. Chronic absenteeism looks beyond truancy and average daily attendance to shine a light on how missing school days can affect an individual student's path to success.

Perfect Attendance

Students who have not missed any school days, came in tardy, or checked out early will receive perfect attendance.

Make-up School

Make-up school will be scheduled to allow students an opportunity to make up absences. These extra sessions will be scheduled after school from 3:30 to 5:00 p.m. It will take two after school sessions to make up one-day absence. (Kindergarten students will be required to attend one after school session.) Students attending make-up school must be on time and stay for the entire session. If a student is late or does not stay for the entire session, it will not replace an absence.

Tardies/Early Dismissals

Students will be allowed four tardies/early dismissals per semester with no penalty. The fifth tardy/early dismissal will result in one day of Academy. Tardies/early dismissals in excess of five will result in a review by the principal/ school attendance committee.

Students who arrive between 8:05 a.m. and 9:30 a.m. are tardy. Students leaving between 9:31 a.m. and 1:30 p.m. will be counted a half day absent. Students leaving after 1:51 p.m. will have a tardy/early dismissal.

Pre-Kindergarten

Chronic Absenteeism may result in student dismissal from Pre-Kindergarten Program.

The Holdenville Board of Education recognizes that regular attendance of a child of school age is required by Oklahoma law and that the school is required to record all student absences and the reasons for them and to report excessive absences to the proper authorities. While the board considers regular school attendance essential for success in school, the board also recognizes that an occasional absence by students may be unavoidable. The board believes that proper communication between schools, parents and legal authorities in school attendance matters assists students to attend school on a regular basis and attains the maximum benefits from classroom education.

VII. EARLY DISMISSAL

A request to have a student dismissed early from class should be sent with the student the morning of the dismissal. The parent, or authorized person, must report to the office and sign the child out.

Parents or guardians must notify the school by 2:00 p.m. if someone other than them is picking up their child.

VIII. BOOKS

Students have free use of a variety of textbooks, library books, and workbooks. Proper care of these materials is expected. When a child brings school books home for study, please provide a safe, convenient place in which to keep them. A lost, stolen, or damaged book must be paid for, at replacement cost, by parents or guardians.

IX. EMERGENCY SCHOOL CLOSING

In the event Holdenville Public Schools will be closed due to severe weather conditions, the official announcement will be heard over any OKC TV station and the Holdenville Public School All Call Notification System.

X. INJURY OR ILLNESS AT SCHOOL

If a student becomes injured or sick at school, the school nurse or a staff member will attend to him/her until the parent has been notified. Simple first aid will be administered.

When emergency medical attention is necessary, and neither the parent nor the person listed on the enrollment sheet can be located, the family physician will be called, or the child will be taken to the doctor or the emergency room at the Holdenville General Hospital. Authorization for such action will be on file in the school office. This is unless instructions have been given to the contrary.

According to state law, any child infected with a contagious disease such as pink eye, chicken pox, impetigo, or infested with head lice may be prohibited from attending school until such time as he/she is free from the contagious disease or head lice.

Any child prohibited from attending school due to head lice must be checked by the school nurse or present to the principal, a certification from a health professional or a representative of the State Department of Health indicating that the student is free of live head lice.

If a child is well enough to attend school, but the parent does not want the child to go outside during recess or P.E. a note should be sent to school indicating the parent's wishes.

XI. MEDICATION

In order for a child to be administered prescription or nonprescription medication at school, the following procedures must be followed.

Prescription Medications

Prescription medication must be in a container that indicates the following: student's name, name of physician, name and strength of drug, date and name of pharmacy, dosage and directions.

Such medication must be accompanied by a written authorization from the parent, guardian, or physician that indicates the following: purpose of medication, termination date, and time to be administered.

Nonprescription Medications

Nonprescription medication must be in a container that indicates the following: student's name, dosage and directions.

Such medication must be accompanied by a written authorization from the parent. Students who have been granted permission by the district may possess and use a prescribed asthma inhaler.

** The school will provide the appropriate form for use in administering medication. They are also available on line.

XII. IMMUNIZATIONS

Students who transfer from another school either within the state or from out of state will be conditionally admitted. Only a maximum of thirty calendar days will be given for the student to produce documentation of proper immunizations or be excluded from school. Students who have not been previously enrolled in school must produce a copy of the immunizations upon enrollment.

The Oklahoma State Department of Health currently requires that children attending school for the first time shall present certification from a licensed physician, or authorized representative of the State Department of Health, that such child has received or is in the process of receiving immunizations against diphtheria, pertussis, tetanus, measles, mumps, rubella, poliomyelitis, hepatitis B, hepatitis A or is likely to be immune as a result of the disease.

XIII. EMERGENCY DRILLS

The safety of your child is one of our greatest concerns. The school holds regular drills to teach pupils to respond calmly in the event of an emergency.

Fire, storm, intruder, and bus evacuation drills are scheduled during the first few days of each semester and periodically throughout the year. Students become familiar with the alarm and the regulations for a calm and rapid departure from the school building or into our excellent storm shelter. During severe weather warnings, all staff will be seeking shelter and unable to answer doors and telephone calls.

XIV. CONTROLLED CAMPUS

A student at Reed Elementary is not to leave the school property after his/her arrival on the school grounds until the dismissal bell has rung or until he/she is delivered home by a school bus in the afternoon. Permission to leave either before school starts, during school, or at lunch may be given only by the parent, guardian, or principal. This permission will be granted only when the school is notified in writing or by phone. No child is permitted to leave the school with another individual without being checked out through the office.

During the year, educational or recreational trips are scheduled to provide experiences beyond the school site. Travel is made by walking, bus, or private carrier. When these opportunities arise, permission forms signed by the parent are required. Without this, the child will not be allowed to make the trip. On school trips, students are required to ride the bus to the event but may ride home with their parents. A written note is required if a child is going home with anyone else.

XV. TRANSPORTATION

The Holdenville School District provides safe transportation for those students who are legally eligible to be transported to and from school. Loading and unloading from a bus must be made with caution. Proper behavior shall be maintained as safety is of the utmost importance. The driver of a bus is a school official and has the same authority in disciplining as a teacher in the classroom. A "Bus Violation Report to Parents" will report misconduct to the principal and the parent. This first note is a warning and must be signed by the parent as an indication that he/she has knowledge of the infraction. A copy is sent to the principal. The second note will bring disciplinary action and the possibility of suspension from the bus for a designated period of time. The third note is subject to complete suspension. At this time, the parent must meet with school officials prior to the return of bus riding privileges.

Students are not allowed to ride a bus other than their assigned bus route or get on or off at a different house or place unless a written request or phone call is received from the parent or guardian.

Morning bus routes unload on Scott Street between Broadway Street and Creek Street. Afternoon bus routes load on Creek Street. Parents transporting their children may park in the parking spaces along Broadway Street or in the parking lot across from Reed on Scott Street. Students are to cross at the corner between the cross marks. Drivers must remain in their cars, while staff members assist students to and from vehicles. Pre-K, Kindergarten, and 1st grade students riding in a private car will be dismissed by a teacher on Broadway Street near the cafeteria exit. 2nd and 3rd grade students will be dismissed by a teacher on Broadway Street near the flagpole.

Traffic around the school will flow one-way traveling south on Broadway Street. Scott Street will be CLOSED between Broadway and Creek Street during school hours.

Students are permitted to ride their bicycles to school and park them in the bicycle rack at the front of the building. Students are to dismount their bicycles upon entering the campus area and walk their bicycles to the rack. The same applies when leaving the school grounds. They are to mount their bicycles after leaving the grounds. Bicycle riders and walkers are dismissed after the last bell rings at approximately 3:30p.m.

The principals and other administrators of Holdenville Public Schools fully support practices in bicycle safety by all students. This especially includes the wearing of protective headgear by riders. We believe that we must do all we can to prevent serious head injuries to people who ride bicycles. Therefore, we encourage students to wear helmets if they ride bikes to any of our school sites.

XVI. CLASSROOM VISITATION

Reed teachers welcome visits from parents. Parents wishing to have a conference with a teacher are encouraged to phone the school at 379-6618 to schedule an appointment. Scheduling in advance avoids disrupting the class routine. Any visitor must check in at the office before disrupting a teacher. Non-enrolled students may not visit the classroom.

XVII. PERSONAL PROPERTY

For the identification and protection of personal property, articles such as coats, jackets, sweaters, gloves, lunchboxes, etc. should be labeled. Personal books should also contain the child's full name. When children bring toys to school, they run the risk of having playthings broken or stolen. Knives, toy guns, hard balls, and bats pose a safety problem and are not allowed. On occasion a teacher may grant permission for toys to be brought into the classroom. Until this time, the school encourages students to refrain from bringing toys from home. No I-Pods, Game Boys, etc. should be brought to school. If they are brought to school they will be taken from the student and given to the principal. Parents will have to pick up these items at school. They will not be returned to the student. Student use of cell phones during school hours is prohibited. Cell phones brought onto school property must be turned in to the office and will be returned at the end of the school day. The school does not assume responsibility for lost/damaged cell phones or electronics devices. For the safety of the children, no backpacks with rollers are allowed.

XVIII. SCHOOL DRESS

Students are expected to dress properly at school. Clothing, which displays words or gestures that are detrimental to the educational process, will not be allowed. Shorts can be worn during warm weather, but must be an appropriate length. Tank tops/sleeveless shirts should fit properly and meet the top of shorts or pants and should fit close to the arm pit without allowing excess skin showing on the sides.

No halter tops will be allowed. Shorts are encouraged to be worn under dresses. No cleats, rubber or metal, and skate shoes should be worn to school as they mar the floor and can cause injury to other students. Hats or other headgear may not be worn inside the school building during the regular school day. **No open-back shoes should be worn due to safety on the playground.**

XIX. FLOWERS, GIFTS, AND INVITATIONS

In order to minimize disruption of the educational process and to maintain an atmosphere of safety and security, all flowers and gifts delivered to Holdenville Schools must be pre-arranged through the building principal. All individuals, including parents, visitors, and vendors must report to the school office before contacting students or employees. Due to safety issues, balloons are not allowed on the busses. If your child is sent a balloon, prior arrangements must be made to have the student picked up from school. Invitations are not to be distributed at school. Any exceptions should be cleared with the principal.

XX. PARTIES

We will have 4 parties and a Fall Carnival. Refreshments are allowed in the classrooms during the four parties. These parties will be held in conjunction with Halloween, Christmas, Valentine's Day and Easter. Any exceptions should be cleared with the classroom teacher and principal. No homemade refreshments should be brought to school; only bakery or store bought. Schedules of special events will be sent home with your child.

Refreshments will be allowed in the classroom from parents, but they must be arranged ahead of time through the teacher. No homemade refreshments should be brought to school; only bakery or store bought.

XXI. FIELD TRIPS

Students must ride the bus to the destination. They may ride home with their parents. The teacher must be notified in person or by a note if another adult is going to take their child with them after the field trip. Parents may not ride the bus to the field trip destination.

XXII. GRADES

Holdenville Schools require reporting of student progress six times a year; four progress report packets and two semester report cards. In addition, classes are dismissed to enable parents and teachers to converse about student progress. The parent/ teacher conference days are scheduled during the months of October and March. Teachers welcome parents as partners in guiding children educationally, emotionally, and socially.

Grading Scale:

A (Excellent)= 90-100, B (Good)=80-89, C (Satisfactory)=70-79

D (Needs Improvement)=60-69, F (Unsatisfactory)=below 60

XXIII. HOMEWORK

Homework is an important part of a child's education. This is a time when he/she can reinforce skills previously learned. Attending to lessons brought home from school keeps parents aware of the curriculum. Please ask if your child has homework and insist that it be completed and returned on time.

If it appears your child has an excessive amount of homework assignments to complete, check with the teacher. He/she may be allotted ample time during the class period but does not use the time wisely.

XXIV. TESTING PROGRAMS

Evaluation of student progress is an ongoing instructional process. Personally identifiable information is collected on all Pre-Kindergarten students to assess readiness prior to entry into Kindergarten. Screening activities may include vision, hearing, motored ability and health along with school readiness. State mandated tests are administered to third grade students. A group aptitude test is also given to students in the second grade. A copy of the results is given to parents. Proficiency based testing is also provided by Holdenville Public Schools. Upon written request of a student, parent, guardian, or educator, a student will be given an opportunity to demonstrate 95% proficiency in one or more areas of the core curriculum in reading, math, science, social studies, language arts, and fine arts. Assessment date(s) will be announced annually. There are occasions when students need further testing beyond the scope available from the school. A written permission form must be signed by the parent prior to testing.

XXV. PROMOTION AND RETENTION

The Holdenville Board of Education has adopted guidelines for promotion and retention. Many factors are considered before a recommendation is discussed with the parent. Although a mutual decision between school officials and the parents is preferred, the final decision rests with the school.

Reading Retention Policy

The Reading Sufficiency Act of 2005 states that beginning in 2008 all students must be reading on a third grade level by the end of the third grade year before advancing to fourth grade. For this reason, students in grades Kindergarten through second grade will be retained if not achieving the following reading levels.

Kindergarten, First and Second grades must pass the STAR or DIBELS NEXT test approved by the Oklahoma State Department of Education.

The tests will be given in late April or early May. Students who are not at Benchmark on these tests will be required to attend the Holdenville Summer Reading Program for Kindergarten, First and Second Grades. Third Grade students who do not pass the tests will be required to attend the Summer Reading Academy. After students have attended these programs they will be given the STAR and DIBELS NEXT test upon completing the Summer Reading Programs. If they pass they will be promoted to the next grade level. If they do not pass the tests, students will be retained in the current grade. Students who did not pass can be retested in early August if parents have opted to work with their student or have taken them to get remediation over the summer. The same promotion and retention policy will apply according to the August test results.

The same procedures listed previously for appeal of student retention are in place and the Board of Education will make the final decision.

Third grade retention/promotion will be based on the most current version of the third grade law.

XXVI. DISCIPLINE

Reed Elementary teachers recognize the importance of discipline in the educational structure. Although it is not listed as a subject, training in deportment develops self-control, character, orderliness, and efficiency. It is the key to proper consideration for other people.

We also recognize that we are working with students and they occasionally make mistakes. It is our desire that Reed students form a correct attitude toward discipline thus making the school an effective learning place. A teacher spending a large part of the day correcting discipline problems cannot have an effective teaching day. Therefore, you as parents can be assured that no student will be allowed to disrupt the learning of others. Each site has rules and consequences. There exists a general code of conduct for students. It states that any student who is on school property, who is in attendance at school or any school sponsored activity, or whose conduct at any time or place has a direct and immediate effect on maintaining order and discipline in the schools shall be subject to the disciplinary procedure set out in this handbook, including suspension and/or expulsion. You will be receiving a copy of your child's classroom discipline policy. This will inform you of the expectations for appropriate classroom behavior and the consequences following misbehavior. Listed below are the expectations for common areas at Reed Elementary and the issuing consequences. Please read carefully and discuss these with your child.

XXVII. SPECIAL CLASSES AND ADDITIONAL SUPPORT

Computer Lab

Students in kindergarten through third grade utilize the computer lab weekly to reinforce reading and math skills with individualized lessons to meet their instructional levels. During these classes, the students learn the basic operations, concepts, and terminology of operating a computer and stay abreast with the advancements in technology.

Learning Disabilities Lab

The LD program provides educational reinforcement for those students who are determined by a placement team to have a learning disability. An individualized education plan is written for each child placed in the program.

Reading and Math In Class Program

In addition to the regular teacher, Reed Elementary provides students with support in reading and math from teacher assistants.

Speech and Language Therapy

Students suspected of having developmental delays in communication skills or receptive and expressive disorders, which adversely affect educational performance, are individually assessed by the speech pathologist. Parents must give permission prior to this evaluation. An individualized education plan is written for each child placed in the program.

Gifted and Talented

The term “gifted and talented children” means those children identified as having demonstrated abilities of high performance capability and needing differentiated or accelerated education or services. The students in Reed Elementary will be provided a differentiated educational program in the area of giftedness when they meet specified criteria. Written parental consent must be obtained before individual evaluation or placement of a student in the gifted/talented program.

Library

The library is designed to be a supplemental resource for students and teachers. Students visit the library with their class or individually. The library media specialist is available to assist students in book selection and to teach the various library skills. The library has a wide variety of books from which students may check out for periods of one week. A fee of \$.05 a day is charged for overdue books. Students who have lost or damaged library books will not be allowed to continue to check out books from the library until the replacement cost has been met.

XXVIII. FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over the age of 18 (“Eligible Students”) certain rights with respect to the student’s educational records. They are:

(1) The right to inspect and review the student’s education records within 45 days of the day the Holdenville Schools receives the request for access.

Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. Copies of Special Education records will be supplied free of charge.

(2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading or otherwise in violation of the student’s privacy rights.

Parents or eligible students may ask Holdenville Schools to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading or otherwise in violation of the student’s privacy rights.

If Holdenville Schools decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except the extent that FERPA authorizes disclosure without consent. The Holdenville Public School District proposes to designate the following personally identifiable information contained in a student’s education records as “directory information” and it will disclose that information without prior written consent. (as permitted by P.L. 99-31):

1. The Student's name
2. The names of the student's parents or lawful custodian;
3. The student's address;
4. The student's telephone listing;
5. The student's date and place of birth
6. The student's dates of attendance;
7. The student's grade level (i.e. first grade, tenth grade, etc.)
8. The student's participation in officially recognized activities and sports;
9. The student's degrees, honors and awards received;
10. The student's weight and height, if a member of an athletic team;
11. The student's photograph; and
12. The most recent educational agency or institution attended.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. MOMENT OF SILENCE

It shall be the policy of this Holdenville Board of Education that no sectarian or religious doctrine shall be taught or inculcated into the curriculum or activities of the school. However, those students who wish to do so may participate in voluntary prayer so long as it is during non-instructional time and does not interfere with the rights of other students.

Each school site within the district shall observe one minute of silence each day for the purpose of allowing each student to meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their choice. All school personnel are to afford these options to all students, who will individually make the selection as to which of these behaviors they will engage in during the moment of silence. These options will also be included in the student handbooks.

The minute of silence will be held at the start of the school day, after the flag Salute.

If the district or a school employee is sued for providing a moment of silence to students, the district must notify the Attorney General within five (5) days. The Attorney General will provide legal representation to the district or employee named as a defendant in an action related to this statutory requirement.
